

HANDOUT

Laying the Groundwork for Government Contracting

Overview

The government is a large and competitive place. A small business has best chances of success if they:

- Gain practical experience in the private/commercial sector
 - ✓ Create a business plan for the commercial market
 - ✓ Understand your profit and loss
 - ✓ Learn how to run a successful business
- Perform research on government procurement sites
 - ✓ Who are you selling to?
 - ✓ What are they buying?
 - ✓ How are they buying it?
- Create a Government Plan with a PTAC Counselor
 - ✓ Specify how and when government contracting best fits into your business goals
 - ✓ Learn about certifications
 - ✓ Learn how to respond to solicitations

Eligibility

The process to bid on government contracts is free and open to all legally established businesses. In order to take advantage our small business resources you must be:

- Owned by U.S. citizen(s).
- “Small” in its primary industry in accordance with SBA’s size standards.
- Legally established in the State of Washington

Important Links

1. Federal

FedBizOpps is the main site where federal acquisitions over \$25k are posted.

SAM.gov is where initial registration to become a supplier to federal agencies starts.

www.fbo.gov

www.SAM.gov

2. State of Washington

Washington State procurement portal is known as WEBS

www.WEBS.gov

The Washington State Office of Minority and Women's Business Enterprises (OMWBE) is the oversight for the DBE certification as well as for other state certifications.

www.omwbe.wa.gov

3. Cities and Counties

Contact your local PTAC counselor for lists of procurement sites

Other Resources

1. The SBA is the oversight organization for federal set aside programs.

www.sba.gov

2. PTAC is an organization funded in part by the Department of Defense and offers assistance in registering for SAM, registering for certifications, finding solicitations and marketing to the government.
